Dear Ms Lewis

Following our telephone discussion this morning, I confirm the volumes for the existing building and proposed extension:

Existing building    - main house 937 cu.m  
                          - conservatory 30 cu.m  
                          - rear extension 38.5 cu.m  
                          - TOTAL        1005.5 cu.m

Proposed extension    - volume below roof 88.1 cu.m  
                             - volume within roof 11.5 cu.m  
                             - TOTAL        99.6 cu.m

Please let me know if you have any further queries.

Regards

John McCall
