

Q.M102, Pt. 1
 1. Contractor must verify all dimensions on site before commencing work.
 2. If the drawing exceeds the area where surveyors are available, the Architect shall be informed before the work is started.
 3. Only figured dimensions to be taken from this drawing, no scale other than
 Drawing.
 4. Design and drawing content subject to Site Surveyor's Survey, Site
 Investigation, Planning and Building Requirements and Approval.
 5. All measurements & dimensions to be taken direct, unless otherwise
 with letter and individual British Standards and minimum acceptable standards.
