For the attention of S. Morris Esq.

Dear Sir,

Re: 12 Sylvia Road, West Hampstead.

In accordance with the Local Council instructions, five samples are to be recovered from across the site as shown on attached plan and tested for TPH. Samples are to range from a depth of between 0.50-1.50m and one from below the finished level of the basement (3.00-3.50m)

Should you require any further information or assistance, please do not hesitate to contact us.

Yours Faithfully
