I enclose a copy of a planning application for the development of the above site for the purposes of:

Demolition and redevelopment to provide a building arranged on 3 basement floors, ground and 62 upper floors comprising floorspace for use within Classes B1 (office) and A (retail) of the Use Classes Order; the creation of new public realm and pedestrian routes; the provision of ancillary servicing and other works incidental to the development (149,834sq.m).

The proposal involves a departure from one or more policies of the development plan in force in the area.

Please let me have any observations your authority has under Article 10(1) of the Town and Country Planning (General Development Procedure) Order 1995, so that the representations may be taken into account in determining the application. The case officer dealing with this application is David Stothard.

Any observations should be made in writing and must be received within a period of 21 days beginning with the date of this letter.
