Approval of details
(condition 3)

Dear Marilet

NO 5 RICHBELL PLACE, LONDON WC1N 3LA

Please find enclosed a set of final drawings from EEC for the acoustic enclosure to the rear first floor flat roof of the above property.

We do not envisage any issues as these are just a finalisation of the planning information.

We trust that these simply require 'rubber stamping', however, as we are moving quickly on site, we would be grateful if you could advise at your earliest opportunity.

Kind regards

Yours sincerely

Alan Brophy
Director
