Dear Sir/Madam

Town and Country Planning Acts 1990 (as amended)  
**INCOMPLETE APPLICATION**

Address:  
96 West End Lane  
London  
NW6 2LU

Proposal Description: Display of illuminated fascia sign.

I refer to your application received on 10 November 2006.

Your application has been checked and found to be **still incomplete** as the following matters remain outstanding:

- Thank you for the existing and proposed sections that you provided. I am afraid that you did not confirm whether or not the proposed sign is to be illuminated. I note from the submitted drawings that the existing sign has neon tubes located behind the individual letters that are mounted on the fascia. The proposed section suggests that the new signage takes the same form, but as there is no annotation it is not entirely clear whether or not it is a neon tube that is shown. Please can you con

Your application cannot be processed until the above points are satisfied. On return, please quote the application number and **ensure 5 copies of all drawings and information are provided.**

Dear Bethany, *Arbery*

Following on your query regarding to the signage strategy I would like to confirm the following:

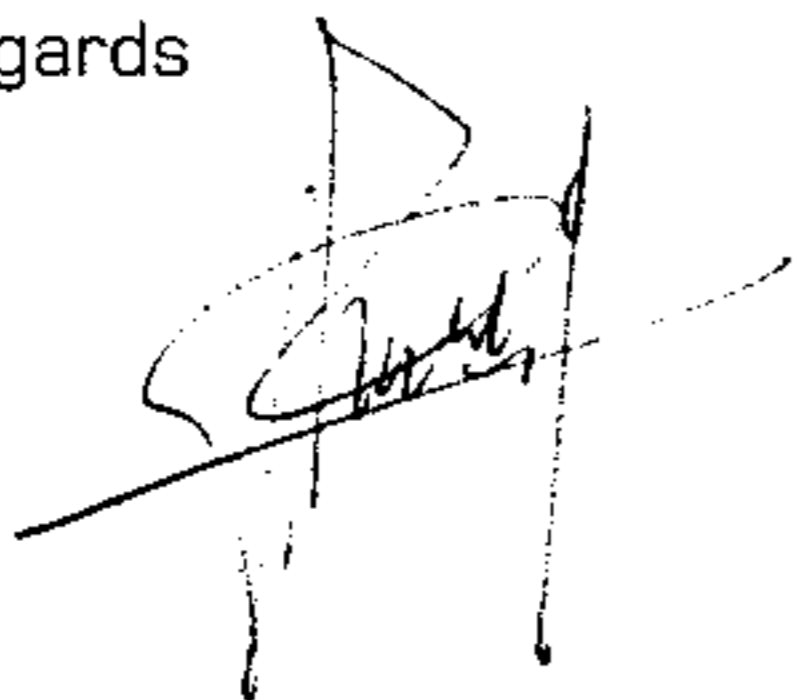

With reference to the drawing submitted and titled -Signage Details  
Dwg no. Westend/06 dated 29 Nov 2006.

The new Signage lighting will be identical to the existing as currently exist with the exception of the first two letters (PA) which will be omitted.

The light source will not be changed regarding to lux level and colour to the existing.

The existing signage details can be sought at the Signage drawing as submitted and if you have any additional queries please do not hesitate to contact me.

Regards
