HOLYROOD GARDENS, 3-5 GLOUCESTER AVENUE, LONDON NW1 7AS
Ref 2006 / 5059 / A

Further to our telephone conversation yesterday we understand that the smaller of the hoardings is deemed acceptable however the larger hoarding is thought to be too long and inappropriate for the conservation area. We have followed your recommendation and reduced the length of the sign from 18.7m to 10m.

Please find enclosed a copy of our amended proposal for the advertising hoarding refer to drawings 05/940 PLO C10 revision A (proposed elevation) and L766 910 Revision B (proposed location of hoarding)

We hope that this meets with the satisfaction of the planning authority.

If you require any further information please do not hesitate to contact me.

Yours faithfully

Cathy Buckley
