FTA John Carter – Planning Officer

Planning Portal Planning Application

Dear Sirs,

**Town and Country Planning Act 1990 –
18 Regents Park Road, London NW1 7TX**

Further to my recent communications with your planning officer John Carter, I attach a new planning application via the Planning Portal, for permission to remove the inner butterfly wings of the existing roof and to form a recessed flat roof area for rooflighting, access and solar panels + associated equipment.

The front and rear elevations are not affected by these proposals and it is not intended for any new construction to sit higher than the existing ridge line.

Yours faithfully,

MICHAEL PHILLIPS
