Dear Sirs,

RE: 89C REDINGTON ROAD – LONDON NW3:

Please find enclosed with this letter a completed planning application for a single storey Second Floor extension at the above site. This proposal needs to be seen in the context of the existing development facing the rear of Erskine Road and Regent's Park Road in that many of these properties have a similar type of extension and terrace arrangement.

The actual planning application has been submitted on line using the "Planning Portal" and should we be advised that this development can be completed as "Permitted Development" we will withdraw this application.

Should you require any further information or wish to arrange a site visit please do not hesitate to contact me, as I am site based much of the week you can either leave a message on my direct line voicemail, contact me on my mobile (07831) 420639 or send an e-mail: derek.copeman@btopenworld.com in the unlikely event that the mobile is switched off please leave a voice mail message together with a direct line telephone number and I will return your call as soon as possible.

Yours Sincerely

Derek Copeman
For and on behalf of
Derek Copeman Architect
