*Submission of details pursuant
to condition 3*

Dear Louise,

2005/3265

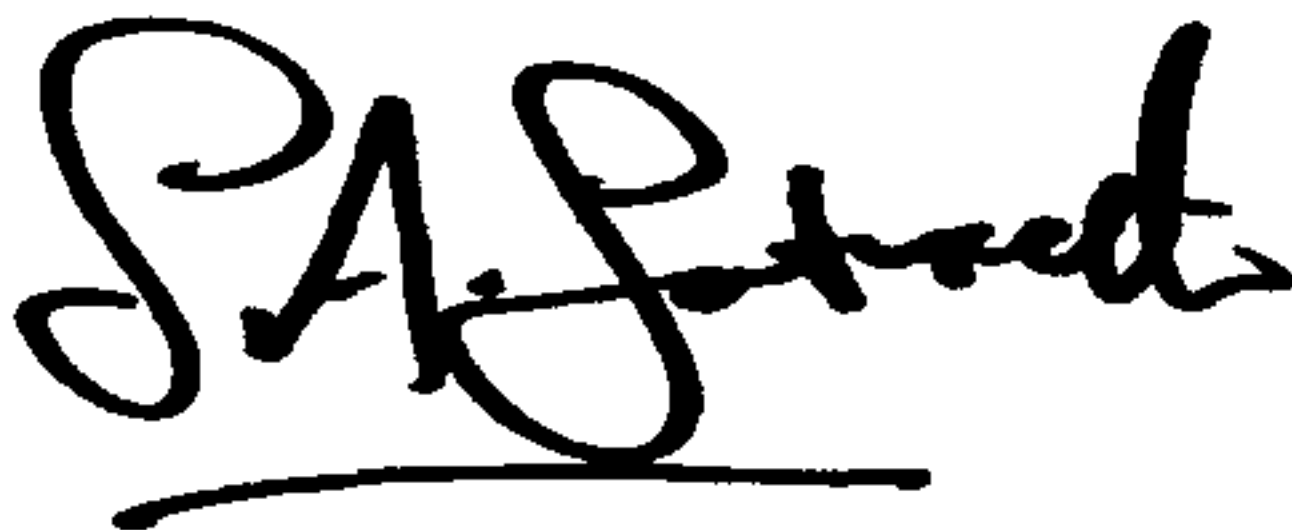

RE: 74A Holmes Road – Condition 3 – Details of External Red Timber (2005/3265/P)

Further to our recent email exchanges and our withdrawal of information for the above condition, we now enclose a sample piece of the thermo wood direct from StoraEnso the manufacturer for your approval. We also attach for you an information booklet from the supplier.

We previously enclosed for your information drawings demonstrating the timber details around window reveals and sills. We attach this for your information again.

I hope there is now sufficient information to discharge condition 3, should you wish to discuss any item further, please do not hesitate to contact me on 020 7490 0890.

Kind Regards,

S A Satrettin
