Dear Mr Sheehy,

Planning Application 2005/0123 - University College School

The Section 106 Agreement in respect of the subject planning application requires that we submit a Management Plan for our new sports hall and swimming pool complex.

I am advised by your Legal Department that we should submit the Management Plan to you in the first instance. Accordingly, I enclose a draft plan and would be very grateful to receive any comment you may have together with your guidance on the next step in obtaining the required approval.

Yours sincerely,

J J Witts
Director of Finance & Administration
