Dear Sir

Re: 2 Quickwood, London NW3

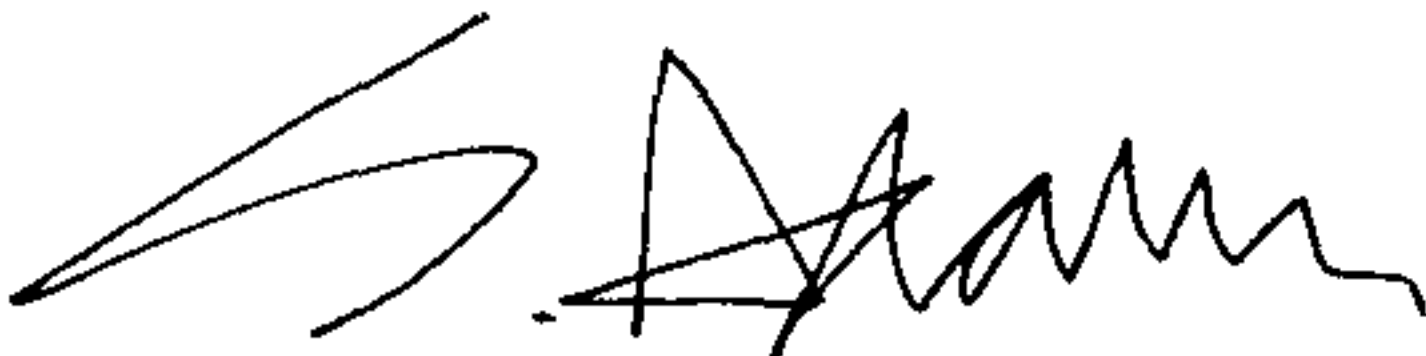

We submit a planning application for consent to construct new two storey extension to the above named property. Planning permission was granted recently for such a proposal at 1 Hawtry Road along King Henry's Road from this site. The proposal will provide a far improved level of accommodation for this house.

In support of this present application the following documents are enclosed:

1. Four copies of the completed application form.
2. Ordnance Survey map at 1:1250
3. Block plan showing the street alignment of nearby houses B.01
2. Five copies each of drawings Nos. 510/SV.01-SV.07 & GA.01-GA.08.
3. Planning fee of £135.00.

I have also enclosed a Design & Access Statement as required for a householder application within a conservation area. Please contact this office if you require any further information at this time in order to consider this application.

Yours faithfully

Yours sincerely
