We refer to the Planning Consent Reference PWX0002220/R1, 13th October 2000 (Case file: D5/2/A) for this development and enclose details of the proposed facing materials, doors and finishes and general exterior floor finishes as required to purify condition 1.

To assist you I enclose a copy of the Planning Consent Reference PWX0002220/R1, 13th October 2000 (Case file: D5/2/A) I also enclose our Proposed Finishes Schedule: drawings FS/ 001-012, 1st July 2006, handrail detail drawings and a site location plan.

Please note that these drawings should be read in conjunction with the the proposed garden scheme: drawings GS 001-009, 1st July 2006, handrail detail drawings and 5 No Landscape Designers' visuals and a site location plan, submitted 28th July 2006, our ref: PL/GA/01.RSK.

Yours sincerely.

Moving Jim.
