Dear Sirs,

RE: 85A REDINGTON ROAD – LONDON NW3:

Please find enclosed our planning application for the addition of a swimming pool structure at the above site. As you will see from the drawing the proposed pool structure will have little or no effect on the adjoining properties as it is sited to the rear of the site where the boundary planting provides the greatest screen effect.

Should you require any further information or wish to arrange a site visit please do not hesitate to contact me, as I am site based much of the week you can either leave a message on my direct line voicemail, contact me on my mobile (07831) 420639 or send an e-mail: derek.copeman@btopenworld.com in the unlikely event that the mobile is switched off please leave a voice mail message together with a direct line telephone number and I will return your call as soon as possible.

Yours Sincerely

Derek Copeman
