Dear Gareth

**RE: 17 Greville Street, London EC1N 8SH**

Further to your letter dated 07 September 2006. I can confirm the following:

This application is for the ground floor shop front only. Therefore the up-stairs flat is not included in this application. It will not be ancillary to the Ground floor unit.

We can confirm that the proposed use at ground floor level is to be retail as indicated on the application forms.

Enclosed is revised drawing No. 525 - 201, through the proposed entrance.

Enclosed with this letter is our Design and Access Statement.

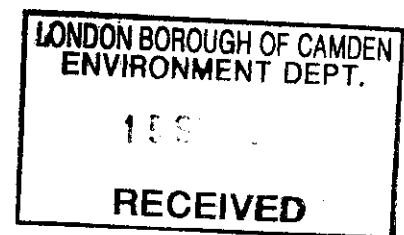

Also enclosed are revised drawings 525-P-02 and 525-P-04 to reflect the current status of the building.

I trust this answers the points raised. However, should you require anything further please don't hesitate to contact me.

Kind Regards

Ben Paul
