Dear Mr Malcolm,

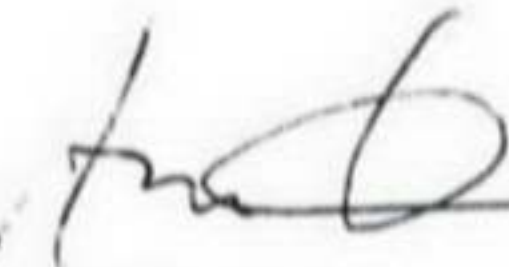

38A Sherriff Road, NW6 2AU
Application No 2006/3825

As requested in your letter of 21 August, I enclose 5 copies of drawing SRB/05, the elevation showing the proposed new bathroom window.

Question 6: I confirm that no felling or lopping of trees is involved in these proposals. My apologies for the oversight in not ticking the No box on the application form.

Please telephone me if there is any further information you require or if you would like to arrange a site visit.

Yours sincerely,

Amara Procter
