Dear Sir / Madam

Planning Application Ref: **2005/1753/P**
Listed Building Consent Application Ref: **2005/1885/L**
Site address: **117 Parkway, London, NW1**

I am writing in respect to Condition 4 of the above approved application. This condition requires that details of boundary walls, front security gates, fences etc. are to be submitted.

Please find attached drawings nos. Rev. A and drawing no. J04/23/P-501 (3 copies).

Drawing J04/23/P-500 was previously submitted and approved in writing as part of the Listed building Consent (ref as above). Two very minor changes have been made to the drawing. A screen has been added at the request of the adjoining owner to prevent overlooking into the external areas of the York & Albany Tavern, and a lead capping has been added to protect the parapet of the re-built boundary wall to the York & Albany.

I trust you will find the enclosed sufficiently clear, however, please contact me should you have any queries.

Yours faithfully

Julian Morrow
