Dear Sir / Madam

Emerald Street, London WC1
New doors to 11-15 & 17-21 Emerald Street

We have been appointed by the building owners, Mayfair & Holland Properties Ltd, to replace the doors to 11-15 & 15-21 Emerald Street.

We are proposing to replace the existing solid timber doors to the entrances of 11-15 & 17-21 to enhance the quality of natural light in to the hallway, along with improving the visibility when entering and exiting the building. We are proposing to match the doors to the existing painted steel & glazed half leaf to 11-15 & full doors to 23-29 Emerald street.

Please find attached drawings and photographs as listed on the issue sheet uploaded to your Planning portal. We will send an A3 hard copy of the drawings along with the fee cheque for £135 in the post.

Please do not hesitate to call us if you require any further information.

Yours faithfully

Craig Watson
