Subject: **LONDON UNDERGROUND: WARREN STREET TUBE STATION  
PROPOSED NEW DOOR IN WARREN STREET ELEVATION**

Dear Sir/Madame,

Please find enclosed for your attention the Planning Application for the Proposed Door on the Warren Street elevation of the Warren Street Underground Station.

As the Operations Room is relocating to Ticket Hall level we need to provide a second means of escape via a new door. Also it is necessary for the Fire Services to gain access. This is part of a general upgrade to the station facilities.

The following drawings & photographs are enclosed:

1. PBE00527-DWG-PRM-N101-1001001: Station Location Plan
2. PBE00527-DWG-PRM-N101-1001211: General Arrangement Plan of the Ticket Hall
3. PBE00527-DWG-PRM-N101-1002771: External Elevations of the Proposed Door
4. P001: Picture of the existing wall on Warren Street Elevation

If you have any queries regarding the enclosed documents or require any additional information please do not hesitate to contact me at the above address and phone number.

Kind Regards,
