PART II - Site Ownership

When making an application for Conservation Area Consent, it is important that you provide information about the ownership of the application site by filling in an appropriate Certificate, as described in Regulation 6, and set out in Schedule 2, of the Planning (Listed Buildings and Conservation Areas) Regulations 1990.

There is a penalty for knowingly or recklessly completing a false or misleading certificate.

N.B. An OWNER is the freeholder of the site and anyone who has a leasehold interest with at least 7 years unexpired.

Use Certificate A if you are the sole owner of all the land and buildings to which this application relates. If you are not the only owner of all the application site then any other person who qualifies as an owner must be informed of the terms of your application. If you can identify all other owners you must serve a notice on them using the wording shown in Notice 1. Once you have done this, complete certificate B and submit it to the Council with your application. Certificates C and D and Notices 2 are available from the Council at the address given at the bottom of the application form. Use certificate C if you do not know the names of ALL the owners of the application site, and certificate D if you do not know any of the owners of the site. In these cases you will need to post a notice on the site and put a notice in a local newspaper using the wording of Notice 2 as well as notify all known owners using the wording of Notice 1.
