Dear Sir/Madam,

**RE: 47, PRATT STREET, LONDON, NW1 0BJ- PLANNING APPLICATION**

Further to our previous letter enclosing a planning submission for the above property, I attach the following revised information:

Certificate B- I have been informed by our client that notice needs to be given to the freeholder of the property. We therefore enclose 5 copies of Certificate B, which should replace Certificate A.

Photographs of Rear Area- I enclose a revised version of this layout, which clarify the text. Please can you replace the previous copies with these revised versions.

Drawing 009- Proposed Rear Elevation- It would appear that this was omitted from the original set of drawings, although named on our planning application forms and drawing issue register. Please can you add this to our planning submission

Thank you for your co-operation

Yours sincerely

John Davies

**Your Ref: 2006/2411**

Dear Sir/Madam,

**RE: 47, PRATT STREET, LONDON, NW1 0BJ- PLANNING APPLICATION**

Further to your letter dated 5<sup>th</sup> June, we enclose the following:

- Site Location Plans: We have enclosed a further four copies as requested, all of which have been marked up in red to show the site.
- Existing & Proposed Sections at 1:50 scale which are annotated to show the proposed external materials. You have requested that these drawings show the 'internal layout' and 'dormers'. We have not proposed any dormer windows and the internal space is a simple, un-divided space and therefore there is no 'internal layout' to show as such.

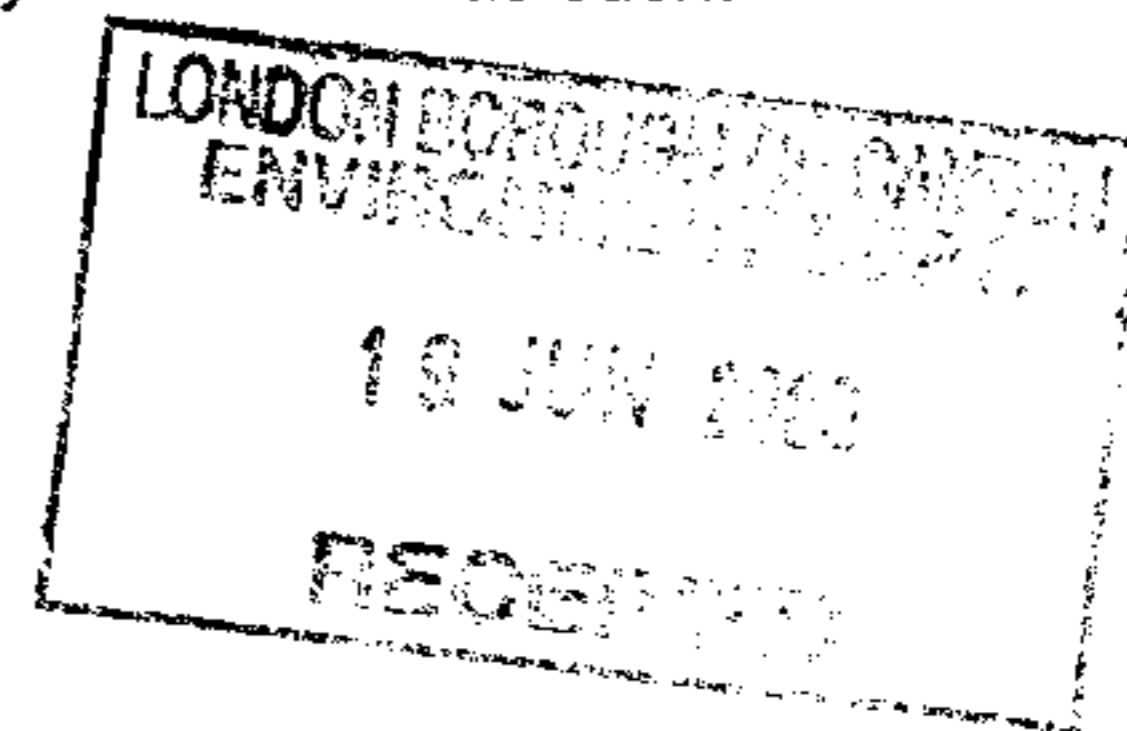

Please can you now process this application.

Yours sincerely

John Davies
