A Guide to applicants for Listed Building Consent

Listed Building Consent is normally required for any works which involve total or substantial demolition, extension, internal or external alteration (including partial demolition) of a listed building or any structures which fall within its curtilage if these structures were erected before 1 July 1948. If you require advice on whether your building is listed or whether the works you are proposing require Listed Building consent, you are advised to contact Planning at the address below.

Listed Building Consent is additional to and does not remove the need to obtain planning permission or Conservation Area Consent when necessary (see Q5). It is necessary for the Council to consult with and gain direction from the Historic Buildings and Monuments Commission before consent can be granted.

Notes:

1

Name and Address of Applicant/Agent

If the form is completed by an agent all correspondence from the Council will be sent to him/her. Please give a contact name or reference.

2

Address of Application Site

The application should be accompanied by a plan or sketch preferably to a scale of 1:1250 showing the site to which it refers and its boundary and relationship to adjoining property. The application site should be edged in red and any adjoining land owned by the applicant edged in blue.

3

Description of Proposed Works

Please tick the appropriate boxes and provide a summary of the works proposed to the listed building(s) including any demolition or alterations internally or externally. Also specify any structure within the curtilage to be removed or altered.

4

Alterations or Extensions

Please specify the type, colour, style of materials and applied finishes to be used both internally and externally. Also specify any structures within the curtilage to be removed or altered.

5

Submission of an Application for Planning Permission and Advertisement Consent

Works which need planning permission will require the submission of a separate application. Likewise, if your proposal includes partial or complete demolition of an unlisted building or structure in a conservation area, Conservation Area Consent may be required. Advertisement Consent will probably be necessary if your proposal involves the installation of an illuminated sign and may also be necessary for other types of advertisements. All these applications should be made at the same time. The relevant forms can be obtained from Planning at the address given at the end of this application form.

6

Plan and Drawings

6 copies of drawings to a scale of 1:50 are required showing existing and proposed floor plans, elevations and sections unless the application is accompanied by a planning application showing the same development, in which case only one additional set of drawings is required (ie. 10 in all). All plans and drawings submitted for approval should be identified by a distinctive reference number. Plans should also show a north point, the metric scale and indicate whether enlarged from an Ordnance Survey map or drawn from survey. Materials and finishes should be indicated on drawings and the extent of proposed works clearly shown and fully annotated. If consent for partial demolition is required, the parts of the building(s) affected should be clearly marked in red on existing floor plans, sections and elevations. Photographs showing relevant areas of the building may assist in securing a speedier decision.

If you wish to enclose any additional information, please do so in the form of a covering letter.

Your application will not be progressed if insufficient information is received by the Council.

PART II - Site Ownership

When making an application for Listed Building Consent, it is important that you provide information about the ownership of the application site by filling in an appropriate Section 11 Certificate. There is a penalty for knowingly or recklessly completing a false or misleading certificate.

N.B. An OWNER is the freeholder of the site and anyone who has a leasehold interest with at least 7 years unexpired.

Use Certificate A if you are the sole owner of all the land and buildings to which this application relates. If you are not the only owner of all the application site then any other person who qualifies as an owner must be informed of the terms of your application. If you can identify all other owners you must serve a notice on them using the wording shown in Notice 1. Once you have done this, complete certificate B and submit it to the Council with your application. Certificates C and D and Notices 2 are available from the Council at the address given at the bottom of the application form. Use certificate C if you do not know the names of ALL the owners of the application site, and certificate D if you do not know any of the owners of the site. In these cases you will need to post a notice on the site and put a notice in a local newspaper using the wording of Notice 2 as well as notify all known owners using the wording of Notice 1.

SCHEDULE 2

Regulation 6

PART I

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Certificate A

Under Section 11 of the Planning (Listed Buildings and Conservation Areas) Act 1990

I hereby certify that:

No person other than [myself] [the applicant]* was the owner (a) of any of the building to which the application relates at the beginning of the period of 21 days ending with the date of the accompanying application.

If yes, please give our registered number and the date that your earlier application was either refused/withdrawn (delete):

H/B _____

Date _____

Check List

Please use this list to check that your application for List Building consent has been completed correctly.

- ☐ Have you provided 6 copies of plans (or 10 in total if submitted with a planning application) for each separate application showing clearly and accurately, to a metric scale, the existing site or building (including uses) and what changes you intend to make?
- ☐ Have you provided 4 copies of a location plan, drawn to scale with the site outlined in red and any land in the same ownership outlined in blue?
- ☐ Have you provided enough information including good quality photographs of the site (marked as necessary) so that your proposals can be fully understood?
- ☐ Have you signed, dated and fully completed 4 copies of the application form for each separate application?
- ☐ Have you given full information on who owns the land involved? Have the correct notices been served on the owners (if there are other owners apart from the applicant)? (See Part II)

Please send your completed form (with four copies), the correct fee, and six sets of drawings to:

INFORMATION SUBMITTED PURSUANT TO DISCHARGE OF CONDITION 9f LISTED BUILDING CONSENT 2003/2242/L

10 Great James Street WC1

26 April 2005

9f Samples all new materials (internal + external) to be used internally and externally and product info sheets for all items to be fitted to building

Floor Finishes

i) Mafra limestone is proposed to the following areas:

- Basement: stairwell, WC, hall and media room
- Ground Floor: Entrance Hall, Stairwell, Kitchen, Scullery, Cloakroom, Roof Terrace
- Second Floor: Bathroom Floor and wall: 10mm stone tiles will be fixed to 18mm ply supported on battens over the existing panelling.

ii) Green slate (Verde Ardesia) is proposed for the 3rd floor bathrooms, walls and floors, 10mm tk tiles

iii) Black slate is proposed for to the walls of the rear 3rd floor bathroom, 10mm tk tiles

iv) Black slate, 20mm tk, is proposed for the new hearths, sized to match the existing hearths and laid on a fine casting plaster over the existing hearths to suit the new finished floor levels and protect the existing hearths.

iv) Oak flooring, approx 200mm wide boards, is proposed for the 1st & 2nd floors fixed on firrings over the existing

Note: The stone to the entrance hall will be laid on flexible bedding adhesive over a separating membrane over the existing floor tiles to protect the existing floor. At the front door a natural fibre coir mat, approx 1.2m x1.4m (under door swing) will be installed on a separating (protective) membrane over the existing floor tiles.

Please also see submitted samples of above floor finishes.

Ironmongery

New unlacquered polished brass ironmongery is proposed throughout except to the Ground floor where the existing brass rim locks will be restored, the ironmongery will be unpainted:

- Internal doors knobs will be 44mm dia. 'ball' pattern, plain.
- Horizontal mortice latches installed in central rail to internal doors
- Fingerplates, 305x76x2mm to 1st floor doors only
- Straight arm fasteners + rola sash stops (B.Reggs) to all sash windows, sash lifts to all sash windows except 3rd floor
- Casement stays and casement fasteners to 1st floor rear and 3rd floor front windows.

Please see attached images of above door knobs, sash and casement fasteners together with ironmongery schedule prepared by Franchis Locks and Tools.
