Dear Madam,

Re: 27a Redington Road, Hampstead, London, Application Ref. 2003/2254/P

Further to the councils' issue of full planning permission for the above on 26th March 2004, I am writing to request the discharge of the following conditions:

Condition 5. Enclosed are two copies of drawings RD/C15 & RD/C25 showing typical details of window and door reveals including the front door canopy.

Condition 8. Enclosed are two copies of drawings RD/C30 & RD/C301 showing the proposed landscaping treatment of the front garden area including planting schedules.

Condition 10 has already been dealt with by Anne Hoe and Kevin Dewhirst direct with the highways authority. Attached is a copy of the correspondence for your information.

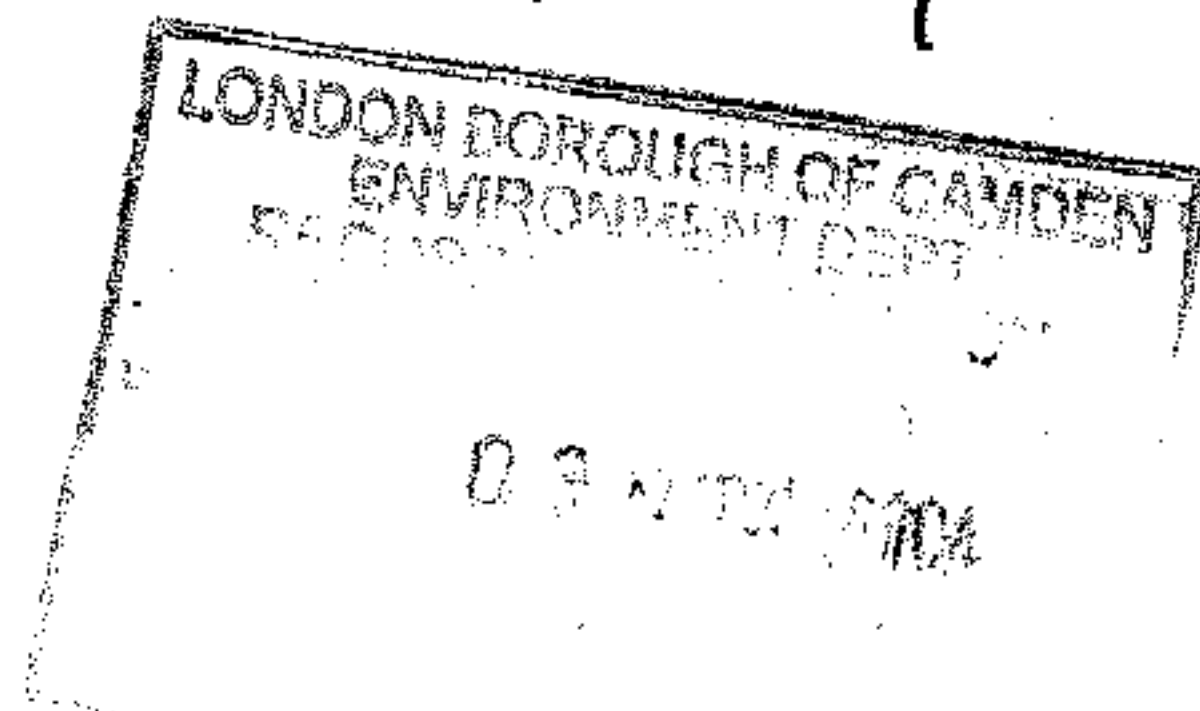

We trust that the above information satisfies the requirements of Condition 5 & 8 and that these conditions can now be discharged accordingly.

Yours faithfully,

Mark Blythen
