## Additional conditions:

- 1 The details of the elevations and facing materials to be used on the building shall not be otherwise than shall have been submitted to and approved by the Council before any work on the site is commenced. These should include detailed drawings at scale 1:50, with details at scale 1:5 as appropriate, including windows, entrances, balustrades, shopfronts, the free-standing canopy, the canopy attached to the commercial building and any structures related to it.
- 2 Details of the proposed roof plant shall not be otherwise than as shall have been submitted to and approved by the Council before any work on the site is commenced
- 3 No other external plant shall be provided on the site without details having been submitted to and approved by the Council.
- 4 The lighting and signage to be used in association with the development hereby approved shall not be otherwise than as shall have been submitted to and approved by the Council before any work on the site is commenced
- 5 No development shall take place until full details of hard and soft landscaping and means of enclosure of all unbuilt, open areas have been submitted to and approved by the Council's Environment (Development Control) Sub-Committee.
- 6 All hard and soft landscaping works shall be carried out to a reasonable standard in accordance with the approved landscape details, prior to the occupation for the permitted use of the development or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the Council gives written consent to any variation.
- 7 Details of the provision for access for disabled persons in compliance with the provisions of Section 4 of the Chronically & Sick and Disabled Persons Act 1970 and the 1985 Building Regulations (as amended by the Building (Disabled People) Regulations 1987) shall not be otherwise than as shall have been approved by the Council before any work on the site is commenced

## Informatives (if applicable)

- 1 The applicant is reminded that the part of the building which is to be use for Class B1 (Business purposes), as defined in the Town and Country Planning (Use Classes) Order 1987, should be constructed in such a way and to a suitable standard to provide adequate facilities for the use of this space by the full range of land uses falling within that use class. As agreed in the letter from your agents Fibbins Fox and CZWG Architects in letters dated 23/1/98 and 22/1/98 respectively, you will provide details of the standards to be adopted in the development to the Local Planning authority.
- 2 You are advised that condition 9 means that no customers shall be on the premises and no activities associated with the use, including preparation and clearing up, shall be carried out otherwise than within the permitted time.
- 3 In good time, prior to the start of construction (or if appropriate, demolition) on site, the contractor shall discuss and agree with the Council's Traffic Management Service (tel: 071-860 5629) detailed arrangements for the transportation of goods and materials to and from the site. The Council will prosecute those responsible for anybreaches of the provisions of the Highways and Litter Acts which occur as a result of construction on the site.

- 4 This consent is without prejudice to, and shall not be construed as derogating from, any of the rights, powers, and duties of the Council pursuant to any of its statutory functions or in any other capacity and, in particular, shall not restrict the Council from exercising any of its powers or duties under the Highways Act 1980 (as amended). In particular your attention is drawn to the need to obtain licences for any part of the structure which overhangs the public highway (including footway). Licences may be obtained from the Council's Highways Service located at Camden Town Hall, Argyle Street, WC1H 8EQ. (tel: 0171-278 4444).
- 5 Your attention is drawn to the need to consult the Council's Waste Management Service, Camden Town Hall, Argyle Street London, WC1H 8EQ, (tel: 071-278 4444) regarding arrangements for the disposal of refuse.
- 6 Works of construction and ancillary activity should not take place other than between the hours of 08.00am to 18.00 pm on Monday to Friday and 08.00am to 13.00pm on Saturday, with no working on Sunday or Bank Holidays, in order to comply with locally enforced standards.
- 7 The Council supports schemes for the recycling of bottles and cans and encourages all hotels, restaurants, wine bars and public houses to do so as well. Further information can be obtained by telephoning the Council's Street Environment Service (Recycling) on 0171 485 1553.
- 8 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted.
- 9 The applicants are strongly encouraged to undertake a BREEAM assessment of the B1 part of the development.

This application was dealt with by Jenny Reid on 0171 860 5809.

Your attention is drawn to the notes attached to this notice which tell you about your Rights of Appeal and other information.

Yours faithfully
