Dear Sirs

re: 12-18 Theobalds Road, London, WC1

Further to our letter of the 1st November, 2001, and our brief telephone conversation today with Ms Riethmuller, we attach two copies of our amended drawing No's. 23-00-15E, and 82B. These drawings illustrate an alternative arrangement for dividing the staircase to No. 14 to allow our clients to sub let the basement and ground floors, whilst maintaining security for their own offices. You will see that the division has been moved up a further half flight to be totally contained on the first floor, which means that none of these temporary works will be visible from the ground floor entrance. An additional advantage is that w.c. accommodation will not be lost.

This alternative option is our clients preferred option, and we shall be pleased to receive your approval to the arrangements shown.

Yours faithfully
for, ROY MILLARD ASSOCIATES LIMITED
