

details can be dealt with by way of a planning condition to allow detailed scale plans of these amendments to be produced after the application has been to committee.

Our clients, Quaint Services Ltd, would like to take this opportunity to voice their concern with the modification to the lightwell wall as suggested by Clare Brady as they feel it will reduce light into Unit A01.

If you have any questions or queries, please do not hesitate to get in touch.

Yours sincerely

Yvonne Phillips
