Dear Sir,

Proposed enlargement of existing dormer window at rear of dwelling
N 3 Chester Road, PEX OIOO427

I refer to your letter to me dated 8th of August and our subsequent telephone conversation.

I enclose a revised drawing number AR3/12 which has amended the proposal to conform to your guidance notes and which I therefore assume would meet with your approval. However, as I explained, my client Mr Dolata is at present on holiday and I therefore had not had the opportunity to discuss the matter with him and must reserve the right to further confer with him and you at the end of this month, upon his return.

This letter and revised drawing is therefore an endeavor to prevent your foreclosure as you have stated.

I should however, be glad to have your comments on this revision at your earliest convenience.

Yours faithfully,

William Solman
