For the attention of Charles Thuaire

LW X0103511R 1

Dear Mr Gilks

80/80a Heath Street, London, NW3 1DN  
Amendments to application LWX0103511 &  
Withdrawal of application PWX0103510

Further to my conversation with Mr Thuaire today concerning the above applications, I understand that he has not received my colleagues letter dated 31 July 2001.

As such, please find enclosed a copy letter accompanied by four copies of revised plan EL02A/Rev1, dated 31.7.01 to accompany the amendments to application LWX0103511.

I trust that the applications can now be progressed and determined favourably.

Yours sincerely
