For the attention of Jay Turner

Dear Sir/Madam,

Schedule of Works - Phase 2 – Display of Externally illuminated fascia sign.
257 – 259 PENTONVILLE ROAD, KINGS CROSS, LONDON N1.

I refer to the above, and our telecon and enclose the following for your consideration: -

- Reference drawing numbers relevant to this application has been amended as requested.
- The existing fascia will be repainted to match existing.
- The number of fascia floodlights has been reduced to match with existing i.e. 7 No.
- The raised lettering is made from steel plate 3mm thick and painted in chrome colour. The spacers used are PVC and fixed using number 10 screws 75mm overall length.

I trust that the above are sufficient for your immediate requirements, and upon your return from leave I will try and contact you.

Unfortunately I have arranged my annual leave commencing on 16 august for two weeks and trust we will be able to resolve if any further information is required.

I very much appreciate your assistance in this matter. Many thanks.

Yours faithfully,

Djemal R Moustafa PG Dipl. MSc (Eng) FEng IEng AMIStructE AMICE
