Dear Mr Brew

**TOWN & COUNTRY PLANNING ACT
UNIVERSITY COLLEGE SCHOOL - PROVISION OF NEW FIRE EXIT THROUGH BOUNDARY
WALL**

I write following your letter dated 31st July 2001 in which you request revised drawings in respect of the gate and supporting arch lintel through the Holly Hill boundary wall.

Please find enclosed drawing No. 6904/14(03) A which shows a framed ledged and braced tongue and grooved clad timber pair of entrance gates, split one third and two thirds to accommodate limited space requirements internally and a change note with regard to the new arch lintel to show the arch to be constructed in new segmental brickwork as requested.

I look forward to receiving the Planning Consent with regard to these works as soon as possible. As you know, the internal works are currently underway and we will be looking to commence external works within the next four weeks or so. If you have any further queries, please do not hesitate to contact the undersigned.

Yours sincerely
for Countrywide Surveyors

Barry W Winters BSc.MRICS

c.c. Ken Johnson - University College School
