Dear Ms Bond

16 CHURCH ROW, HAMPSTEAD : GARDEN ROOM
Ref. 000/2524/R1

We write with reference to the letter written to you from Stephen Boniface dated the 7 August 2000, regarding the proposed amendments to the existing garden room. We enclose five sets of the drawings detailing the minor alterations to the approved design for which our client seeks approval.

Our client is most anxious that an early decision be given on the works as the repairs to the rest of the house are due for completion by the end of August, and the works to the garden room are holding up the conclusion of the project. If however you require any clarification of the enclosed drawings or additional information please do not hesitate to contact us.

Yours sincerely

D W Mizon
