Date: 21st September 2000

For the attention of Vanessa Leddra,

LWX0002622R1

Dear Ms. Leddra,

Re : Flat 1, 14 Templewood Avenue, London NW3

Further to our recent meeting at your offices, I enclose revised drawings of the above, which have been amended to suit your comments as follows.

- PWX0002623R1**
1. The proposed side extension has been omitted.
 2. The proposed glazed roof over the conservatory extension has been omitted, and the roof will now be of solid construction. **LWX0002622 R1**
 3. The proposed double doors to the east elevation of the conservatory extension have been omitted, and the glazed panels (the same design as the doors) will be non openable. All the glazed panels to this elevation will be obscured eg sandblasted. **PWX0002623 R1**
 4. The proposed master bedroom will now revert back to reception use. The single door off the inner lobby will remain, and the existing double doors will be retained in a closed non opening position.
 5. The wall between the extended kitchen and the reception room will be drylined on the kitchen and hall side in order to preserve the existing moulded features. The existing double doors to the inner lobby will also be retained.

I hope that with these alterations you will now be able to give approval.

Yours sincerely,

B. O'Driscoll
