Dear Sirs

Re: 13 Albany Street, London, NW1 4DX

We write with reference to the Conditional Listed Building Consent issued by your council on 22 August 2000 in respect of the proposed alterations at the above premises.

Condition 2 requires us to submit details of the proposed staircase to be built from ground floor to basement for councils approval, and we therefore enclose four copies of our drawing no J/597/4 showing these details.

We trust this gives you all the information you require and we look forward to receiving your approval as soon as you are able.

Yours faithfully
