Dear Sue

100-111 HIGH HOLBORN & 1-11 PROCTER STREET
Your Reference: PS9904731

At our last meeting of 12 October 1999, you suggested that the Bloomsbury Conservation Advisory Committee would require supplemental information about the south façade facing High Holborn. At this time we would like to submit 5 no. copies of a single document titled "100 - 111 High Holborn - Façade Details". This document is meant to supplement the current application.

This document consists of 10 pages that describe in detail the make-up of the façade. This is done through written narrative, diagrams and 1:10 and 1:5 details.

We trust that this document sufficiently describes the proposed façade.

Yours sincerely

Roy Stevens
