Dear Sir(s) or Madam,

Town and Country Planning Act 1971

Re: Willment Ready Mix Concrete Plant, Kings Cross Goods Depot, NW1

With reference to your application dated **30th March 1982** I have to inform you that the Council, in pursuance of the provisions of Section 53 of the Town and Country Planning Act, 1971, hereby determines that the proposal to **erect and retain an additional cement silo until 1st January 1987,**

constitutes development for the reason that **it involves the carrying out of building operations but**

~~and~~ an application for planning permission in respect thereof is ^{not} required ~~as~~ **the proposed works are permitted by Article 3 and Schedule 1 of the General Development Orders 1977-81.**

I have to inform you that if you are aggrieved by this decision you may appeal to the Secretary of State, Department of the Environment within six months of receipt of this determination or such longer period as the Secretary of State may allow.

Informative: On 1st January 1987 the existing permission for the use of the site as a ready mix concrete plant expires. Planning permission **will be required to continue the use of the site and to retain the plant and equipment after that date.**

Yours faithfully

Director

All correspondence to be addressed to the Director of Planning and Communications.
