LICENCE CONDITIONS

1. Except with the previous written consent of the Council the amenities are to be placed on the public highway only during the months of April to October and between 10.00am and 11.30pm Monday to Friday and 6.00pm to 11.00pm on Saturdays and Sundays.
2. They shall be removed from the public highway when not in use.
3. The applicant shall not in any way interfere with the surface of the public highway
4. It is intended that the Council will mark a defined area on the public highway. When these markings are provided the amenities must be sited within them but, in any event, a minimum clear footway width of 1.8 metres is to be provided at all times for through pedestrian movement.
5. The applicant shall indemnify the Council from and against any claim in respect of any injury damage or loss arising directly or indirectly out of the grant of this consent and the use by the public of the amenities.
6. The applicant shall be responsible for cleaning the public highway used under consent at the end of each day and, if requested to do so by the Council, provide mobile litter bins on the public highway, in such positions and for such time periods as the Council may specify.
7. The applicant shall remove the amenities from the public highway immediately if requested to do so by the Council, its agents or contractors or licensees or by a statutory undertaker, its agents or contractor, or by a Police officer, if unimpeded access to the surface of the public highway is required to enable the Council, the Statutory Undertaker or the Police to carry out any of their statutory duties or to enable a licensee of the Council to put into effect the terms of the licence. The applicant shall not reposition the amenities on the public highway until notified by the Council, the Statutory Undertaker, or the Police, that he/she may do so.
8. If the Council serves a Notice on the applicant requiring him/her to take such steps as are necessary to remedy any breach of the terms of this consent, and the applicant fails to comply with the Notice, the Council may itself take the steps required by the Notice and recover from the applicant any expenses incurred.
9. The Council may withdraw this consent at any time upon giving the applicant seven days notice in writing. Upon withdrawal of the consent the applicant shall remove the amenities from the public highway and, in default, the Council may remove the amenities and recover from the applicant its costs in so doing.
10. Any Notice to be given to the applicant shall be deemed to be sufficiently served if addressed to the applicant and sent by post or left at the premises.
11. The consent hereby granted is for a period of one year from the date of the decision letter. The amenities may only be placed on the public highway between 1st April and 31st October during that period. At the end of the one year period, an application for renewal of the consent must be made
12. This licence must be displayed in a prominent position in the window of the premises, so that it may be seen by users of the amenities. Failure to do so will result in the withdrawal of the licence by the Council.
13. The amenities must be removed from the public highway at the end of the permitted period each day. (To be used in all cases, except where consent for picnic tables is granted).
14. The amenities must not be placed on the public highway in such a way as to create a hazard or a level that will cause a nuisance.
15. This consent excludes A boards and any other amenities that are not specified on the licence.
16. The footway must not be obstructed by patrons standing between tables, chairs and the kerb.
17. Uniform tables and chairs must be used.
18. No items may be placed in front of an adjoining property.
