Dear Sirs,

Town and Country Planning Act 1962,
London Government Act 1963.
Re: "Stores House" Windmill Hill, Camden.

I refer to your letters dated 1st January 1968 and 6th February 1968, submitting detailed plans and details of materials to be used on the detached house proposed to be erected on the Windmill Hill frontage, pursuant to condition (1) of the planning permission dated 16th September 1966 for the erection of three detached houses and garages on a site in Windmill Hill and Frogmal Rise.

I have to inform you that the Council hereby approves the materials as listed in your letter dated 6th February 1968 and the details as shown on the plans submitted, Registered No. 4707, your numbers 170/WD, 1, 2, 3, 4, 5, 6, 8 & 9 as part compliance of the said condition No. 1, but would wish to see a sample brick and to have details of the infill panels.

Furthermore the Council would wish to see adequate landscaping of the site including the provision of two semi-mature trees on the Windmill Hill frontage.

You are also invited to consult this Council's officers before submitting details of the Frogmal Rise properties, in view of the importance of the site.

Yours faithfully,

Planning Officer.
