Dear Sirs,

Town and Country Planning Act 1971  
Avenue Chambers, Vernon Place, London, W.C.1

I refer to the recent telephone conversation between my assistant and Mr. Firshman of your office concerning the letters approving reserved matters dated 20th February 1976 in relation to the listed building consent and the planning permission of 28th April, 1975.

I attach amended copies of these letters and I shall be grateful if you would substitute them in replacement of the letters previously issued.

The applications for approval of reserved matters did not relate to condition No. 3(D) of the listed building consent and the planning permission and any amendments to be made to the shop fronts should be the subject of a further application for the approval of reserved matters in due course.

Yours faithfully,

Director of Planning and Communications
