Dear Sir,

Torriano Primary School, Torriano Avenue, London N.W.5

With reference to your letter dated 21st April 1971 regarding the erection of a chain link fence and gates to form a boundary to Torriano Primary School, Torriano Avenue, N.W.5.

I have to inform you that this Council disapproves the details of the chain link fences and gates as shown on drawing, your No. S564/014 for the reason that such enclosure would be out of keeping with the character of the area.

You are further informed that this Council would be prepared to consider an alternative form of boundary provided that it reflected the scale and character of the area.

Yours faithfully,

Director of Planning  
and Communications
