Listed Building Consent

The Council, in pursuance of its powers under the above-mentioned Act and the Regulations made thereunder, hereby grants consent for the execution of works referred to in the under-mentioned Schedule.

This consent is given subject also to due compliance with the Town and Country Planning Acts, any local Acts, regulations, building by-laws and general statutory provisions in force in the area and nothing herein shall be regarded as dispensing with such compliance or be deemed to be a consent by the Council thereunder. It does not modify or affect any personal or restrictive covenants, easements, etc., applying to or affecting either this land or any other land or the rights of any persons (including the London Borough of Camden) entitled to the benefit thereof or holding an interest in the property concerned in this development or in any adjoining property. The granting of listed building consent does not remove the necessity of also obtaining planning permission where such permission is required.
