Dear Sir(s)/Madam,

Town and Country Planning Act 1971 (as amended)

Permission for Development

The Council, in pursuance of its powers under the above-mentioned Act and Orders made thereunder, hereby permits the development referred to in the undermentioned Schedule subject to the conditions set out therein and in accordance with the plans submitted, save insofar as may otherwise be required by the said conditions.

Your attention is drawn to the General Information attached hereto.

Your attention is also drawn to the Statement of Applicants Rights.

SCHEDULE

Date of Original Application : 24th August 1988

Address : Flat 1, 30 Redington Road, NW3.

Proposal : Erection of a single storey side extension to existing ground floor flat, as shown on drawing no.01B.

Standard Condition:

1. The development hereby permitted must be begun not later than the expiration of five years from the date of this permission.

Reason for Standard Condition:

1. In order to comply with the provisions of Section 41 of the Town and Country Planning Act 1971.

Additional Condition(s):

- 01 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture, those of the existing building, unless otherwise specified on the approved application.
- 02 By not later than the end of the planting season following the completion of the development hereby permitted, or any phase of the development, trees shall be planted on the land in such positions and of such size and species as may be agreed with the Council. Any trees removed, dying, being severely damaged or becoming seriously diseased within 5 years of planting shall be replaced by trees of a similar size and species to those originally required to be planted.

(Case File No: E5/5/2)

- 03 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage to the satisfaction of the Council for a period of at least 12 months following the completion of the development hereby approved, or such longer period as may be required under Sections 60 and 61A of the Town and Country Planning Act 1971 (as amended).

Any trees removed without the Council's consent or dying or being severely damaged or becoming seriously diseased during that period shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with trees of such size and species and in such positions as may be agreed with the Council, without prejudice to any further action the Council may consider appropriate to secure the protection of existing trees.

Reason(s) for Additional Condition(s):

- 01 To ensure that the external appearance of the building will be satisfactory.
- 02 To enable the Council to ensure a reasonable standard of visual amenity in the scheme.
- 03 To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area.

Yours faithfully

Director of Planning and Transport
