Dear Sirs,

Notice of Proposal to Form a New Goods Staircase and Lift
Fronting Queen Square for the National Hospital, Queen Square, London

I refer to your letter dated 19th February, 1969, seeking this Council's observations under the procedure of the Ministry of Town and Country Planning Circular No. 100 in regard to the above mentioned development.

The matter has now been considered by the Council, as a result of which I have to inform you that no objection is raised to the proposals as indicated on Plan Reg. No. 6701 (Your Drawing No. 265), subject to the removal of the goods staircase and lift on completion of Phase I of the Hospital Development.

Yours faithfully,

Planning Officer.
