Dear Sir,

Town and Country Planning Act, 1947
No. 149 Pancras Road, St. Pancras

With reference to your application dated 29 November 1957 in respect of the use of the above premises for retail repair service to radio and television sets, it is understood that the premises will be occupied as a retail shop and that the repairs will be ancillary to that use. In the circumstances I am of the opinion that the proposal does not constitute a material change from the last use of these premises as a coal order office; no permission will, therefore, be required under the above Act.

Yours faithfully,

HUBERT BENNETT
