Dear Sir(s),

Re: Town and Country Planning Act 1971

199-206 High Holborn and 2-8 Newton Street, W.C.1.

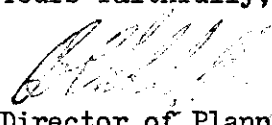

I refer to your letter dated 8th of March 1978 submitting details of the service yard and access road and the landscaping pursuant to Conditions 1, 15 and 16 of the outline planning permission dated 12th of July 1976 for the retention of the existing facade of Nos 199-201 High Holborn and the redevelopment of site of the remainder of the building together with the sites of Nos 201a-206 (consecutive) High Holborn and 2-8 (even) Newton Street for shops, offices, housing and ancilliary storage, servicing and car parking areas and plant rooms.

I have to advise you that the Council hereby approve the details shown on the drawings Reg No.26509, your numbers 1002 (Revision B) and 1013 (Revision A), in compliance therewith.

Informatives

- 1) Condition 8 of the outline permission required the provision and retention of 5 car spaces only, for use by occupiers of the offices and shops. Space No 6 shown on your drawing No 1002 should be omitted to allow adequate turning space to be maintained for service vehicles.
- 2) The details of car parking provision related to the Council's housing development do not form part of this application and are not approved.

Yours faithfully,

Director of Planning and Communications.
