Sir,

Town and Country Planning Act, 1947  
Town and Country Planning (General Development) Order, 1950  
Nos. 12-13, Miller Street, St. Pancras

With reference to your letter of 9th July, 1955, I am  
pleased to inform you, with regard to the permission granted under  
the Town and Country Planning (General Development) Order, 1950, for  
the use for storage purposes, for a limited period, of the above  
premises, as shown on the plan (No. 35), submitted 30th March, 1955,  
that the Council, in pursuance of its powers under the above-named  
Order, refuses to waive conditions (1) and (2) of its permission  
granted 1st July, 1955, for the reason that the proposed use of  
Nos. 12-13, Miller Street, St. Pancras, for warehouse purposes would  
be contrary to the provisions of the Development Plan, and an  
undesirable departure from the planning permission given for the  
development of the site, of which these premises form part, for  
residential purposes.

I have to inform you that redevelopment of the Camden High  
Street frontage at this part may be long delayed and continuance in  
use of the existing buildings there would not appear to justify  
retention of the building under consideration.

Yours faithfully,

(SIGNED) J. L. MARTIN

Architect to the Council.

The Town Clerk,  
St. Pancras Town Hall,  
Ruston Road,  
N.W.1.
