Dear Sir,

**TOWN AND COUNTRY PLANNING ACTS, 1962-1968  
LONDON GOVERNMENT ACT 1963**

**Permission for development (conditional)**

The Council, in pursuance of its powers under the above-mentioned Acts and Orders made thereunder, hereby permits the development referred to in the undermentioned Schedule subject to the conditions set out therein and in accordance with the plans submitted, save insofar as may otherwise be required by the said conditions.

The permission is given subject to the time limit condition imposed by the Town and Country Planning Act 1968, and general statutory provisions in force in the area and nothing herein shall be regarded as dispensing with such compliance or be deemed to be a consent by the Council thereunder.

Your particular attention is drawn to (a) the provisions of the London Building Acts 1930-39, and the byelaws in force thereunder which must be complied with to the satisfaction of the District Surveyor, whose address may be obtained from this office and (b) to the Statement of Applicant's Rights set out overleaf.

I would also remind you that the Council's permission does not modify or affect any personal or restrictive covenants, easements, etc., applying to or affecting either this land or any other land or the rights of any persons (including the London Borough of Camden) entitled to the benefit thereof or holding an interest in the property concerned in this development or in any adjoining property.

**SCHEDULE**

Date of application: 3rd June 1971

Plans submitted: Reg. No: 11254

Your Nos:

Development:

**The continued use for a further limited period of the ground floor for motor vehicle repairs at 39 Marquis Road, N.W.1. and the first floor for ancillary facilities for the employees thereof.**

**Standard condition:**

The development herein permitted must be begun not later than the expiration of five years from the date on which this permission is granted.

**Standard reason:**

In order to comply with the provisions of section 65 of the Town and Country Planning Act 1968.

**Additional conditions:**

1. The limited period for the continuation of the use shall be until 31st July 1972 by which date the use shall be discontinued and determined.

**Additional conditions - contd.**

2. The hours during which the uses may operate shall be restricted to 8 a.m. to 6 p.m. on weekdays and 8 a.m. to 1 p.m. on Saturdays.

**Reasons for the imposition of conditions:**

1. The proposal does not accord with the Initial Development Plan in which the area is zoned for residential purposes and the permanent use as proposed would tend to prevent the ultimate implementation of the Plan.
2. To safeguard the amenities of the adjoining premises and the area generally.

**INFORMATIVE:**

All work to vehicles should be carried out within the curtilage of the site and no work to be carried out in the roadway.

Yours faithfully,

Director  
(Duly authorised by the Council to sign this document.)

**Statement of Applicant's Rights arising from the grant of permission subject to conditions**

- (1) If the applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may appeal to and on a form obtainable from the Minister for Local Government and Development, Department of the Environment, Whitehall, London, SW1, in accordance with section 23 of the Town and Country Planning Act 1962, within six months of receipt of this notice. The Minister has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Minister is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the local planning authority having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include section 6 of the Control of Office and Industrial Development Act 1965 and section 23 of the Industrial Development Act 1966.)
- (2) If permission to develop land is granted subject to conditions, whether by the local planning authority or by the Minister, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Part VIII of the Town and Country Planning Act 1962 (as amended by the Town and Country Planning Act 1968).
