Site and Group Planning General Regulations 1974 **WHOLE OF HAWLEY MEWS**

Hawley Road Public Open Space, Areas 1, 2 and 3, and 23A, Hartland Road, Nw1

I refer to your memorandum dated 6th June 1975 submitting details of the use of the railway arcs 1 to 3 for accommodation for the Director of Works and the elevational treatment of the areas pursuant to conditions nos. 1(b) and 1(c) of the deemed planning approval granted in my memorandum dated 23rd May, 1975 which approved the landscaping of Area 11 and the use of railway arcs 1 to 3 as auxiliary facilities, and the provisional layout and landscaping for Area 111 at Hawley Road public open space.

I have to inform you that the Development Control Committee hereby approved the details of the use of the railway arcs 1 to 3 for accommodation for the Director of Works and the elevational treatment of the areas as described in your memorandum dated 6th June, 1975 and shown on your drawing nos. N/1248, our registered no. 20940(S1).

The Development Control Committee considers that the use of the three areas should be restricted to a period of two years, to enable the Committee to review the position.
