Dear Sir(s)/Madam,

Town and Country Planning Act 1990  
Town and Country Planning General Development Order 1988 (as amended)  
Town and Country Planning (Applications) Regulations 1988

Re: 112-124 Haverstock Hill, NW3.

I refer to your letters dated 25th March and 17th May 1993 submitting the design details which relate directly to the corner block (No. 112) pursuant to Condition 01 of the planning permission dated 11th March 1993.

I have to inform you that this Council hereby approves the design details as shown on drawing nos. 91/371/P03F, P17D, P18C, P25A, P26A, P27A, SK-108, 109, 110. and P27. as submitted with your revised letter 17th May 1993.

You are reminded that the remaining details of the facing materials to be used on the new building at 112 Haverstock Hill and the new link blocks, pursuant to condition 01 of the planning permission dated 11th March 1993, still have to be submitted to and approved by the Council before any work on site is commenced and that the development shall not be otherwise than in accordance with such details.

You are also reminded that condition 03 which states that "No development shall take place until full details of all hard and soft landscaping and means of enclosure of all unbuilt, open areas have been submitted to and approved by the Council"; still has to be complied with.

Yours faithfully,

Head of Planning, Transport & Health Services  
(Duly authorised by the Council to sign this document)
