Dear Sir,

**Town and Country Planning Act, 1947**  
**No. 29 St. Edmund's Terrace, Hammersmith**

With reference to your letter dated 2 April 1958, I have to inform you that there is no objection to the substitution of Elshy Windsor Grey hand-made facing bricks in lieu of precast concrete cladding for the wall and sill panels as facing materials in connection with the erection of a block of flats on the above-mentioned site as a variation from the approval conveyed by letter dated 18 June 1957.

I have also to inform you that the revised treatment of the roof structures, as shown on plans Registered No. 270 (your drawings Nos. SE Q/2, 3/3 and 4/3), is not considered to involve a material change from plans already approved.

Yours faithfully,
