Statement of Applicant's rights arising from the refusal of planning permission or from the grant of permission subject to conditions

- (1) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission of the proposed development, or to grant permission or approval subject to conditions, he may by notice in the proposed development of this notice, appeal to the Minister of Housing and Local Government in access to the Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer part for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of Sections 17, 18 and 19 of the Act and of the Development Order and to any directions given under the order.
- (2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the London Borough Council or, in the case of land in the City of London, on the Common Council of that City a purchase notice requiring that council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.
- (3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 of the Town and Country Planning Act, 1962.
- (4) Any appeal should be made on the appropriate form which can be obtained from the Minister of Housing and Local Government, Whitehall, S.W.1.
